

ELECTRIFY ARIZONA MOBILITY & TECH EXPO 2026

Build Your Business Case for Electrification!

Exhibitor Guide

Thank you for being an exhibitor at our Thursday April 9th 2026 Mobility & Tech Expo at PERA Club - 1 East Continental Dr. Phoenix AZ 85288. You are part of the Enabler community who are critically important for accelerating our electrification transition. The goal of our event is to grow our community and help build our attendees' business case for electrification. It will be fun!

Our general guidance for exhibitors:

- Exhibitor setup will open at 7:30 am,
- Upon arrival, all exhibitors must check in at the outdoor registration tent where you will be given your nametag and specific guidance for your indoor and/or outdoor exhibition space,
- Indoor spaces will include a 6' table and two chairs. Additional chairs or extensions MUST be requested in advance of the event. Please contact christine.boisen@srpnet.com .
- Outdoor spaces will not have a table unless you have requested one specifically,
- If you bring your own tent for your outside space, you are responsible for bringing sandbags or weights to prevent damage due to wind (no staking is allowed). We will not have extra sandbags to provide,
- Primary time for exhibitors will be between 9:30 – 10:30a(program start), a limited time during lunch, and again at the end of the program (3:30 – 4p) as people adjourn; there will also be a lunch break (12:15p) and an afternoon break (2:00p) but these will be shorter breaks,
- To encourage interaction between outdoor exhibitors and attendees, we will have a specialty coffee cart in the outside exhibition area prior to the program start and an Italian ice truck following the afternoon session,
- We will be implementing an Exhibitor Passport that will encourage attendees to interact with exhibitors. Upon check-in exhibitors will be given a stamp for the passport. Attendees who get 10 stamps in their passport will be eligible for a raffle at the end of the day. Raffle prizes will be an electric bike and an aerial drone. Exhibitors are eligible for the raffle as well!
- If you have questions, call or text:
 - John Heckman, 303.885.1025
 - Christine Boisen, 602.989.8759
